INTERACTIVE
FLAT PANELS

THE NEW SMART
INTERACTIVE WAY TO
COLLABORATE AND EDUCATE

MORE THAN JUST A DISPLAY.

Touch interactivity and collaboration are brought to life with the brilliance of our ultra-high definition **AERO INTERACTIVE FLAT PANEL WITH ANDOIRD AND WINDOWS OPERATING SYSTEM**.

Aero's products take the lead in these flexible, multi-functional solutions with ultra-4K resolution, accurate on-screen writing, built-in whiteboard software, and wireless screen projection, satisfying the needs of a variety of applications.

Discover our Smart range with unique features, combined with powerful applications and software, uniquely designed for collaboration in any education, business or collaborative environment.

SMART INTERACTIVE DISPLAY TECHNOLOGY FOR ANY ENVIRONMENT.

AERO SMART IFP displays and software help collaborate – in any work environment.

The way we work is changing and your technology needs to keep pace. **AERO SMART IFP** solutions enable more productive and effective collaboration leading to faster results – moving your business forward.

EDUCATION

Engineered with the modern classroom in mind our Smart IFP displays provide premium collaborative learning in any classroom so teachers and students can instantly share ideas on the big screen with ease. Thus to make teaching and learning more productive, creative, engaging and accountable.

BUSINESS

The demands of modern business for seamless collaboration requires technology that helps connect the workplace.

Our smart IFP displays provide premium immersive technology designed for meeting rooms, auditoriums, reception areas or break out spaces to create, collaborate and inspire.

FRIENDLY DESIGN:
SMARTER WAY TO ENGAGE

Aero bridges the gap between traditional collaboration and virtual collaboration. Our IFP displays encourage innovative, engaging, hands-on collaboration. Designed with unique features, keeping in mind the varying levels of needs for the education and business sectors, our full range of SMART IFP's means you can choose what fits the needs for your requirement, while fitting your budget too.

So whether it is connectivity that matches your personal devices, displays to rival even the best televisions and integration that makes for a seamless transition, our Smart IFP's are all-in-one dynamic collaborative tool for Board Rooms, Meeting rooms, Huddle rooms, Training rooms or any Classrooms.

So collaborate, interact and become creative with Aero IFP's.
